

All,

We hope that everyone is preparing for a restful and fun Christmas break. It will go fast and January will be here before we know it!

Several students still are in need of funds for their Disney trip. Please read below for a couple of opportunities.

First, Gary Forse from Express Industries is going to open up the online store for us through January. Several students used this program in the fall in conjunction with the August fund-raiser, and they did quite well. Profit on this fund raiser will be approximately 40%. It is easy! No delivery.....just a few calls and/or e-mails. Please see the attached flyer and read the instructions below for details.
