

Brazoswood Buccaneer Band

8/22/2007

Dear Area Business:

On Tuesday, September 18, 2007, the Brazoswood Buccaneer Band Booster Club will host a golf tournament fundraiser at Jackson Oaks Golf Course. The booster club is holding this event in support of the Buc Band's end of season trip to Florida scheduled for January 2008. While in Florida, the band will march in The Walt Disney World parade, visit Epcot Center, and visit Universal Studios. If you have ever attended a Brazoswood football game, you have seen our 330+ member band entertain the crowds at half time. This amazing band also placed 13th out of ~250 bands at State UIL marching competition in 2007.

The Buc Band Booster Club is a 501(c)3 non-profit organization that supports the many needs of the 330 member Buc Band that the school district does not cover. With your support, the golf tournament can be a success!

Registration forms to enter the tournament are available through the band website (www.bucband.org) and booster club parents.

Please consider contributing to the golf tournament or registering a team to play with us.

Thank you,

Keith Wise
