Should this form be lost by the band member, said member will have to start over with a completely blank sheet, repeating all of the items above. You will not be allowed to approach the evaluator and simply obtain another signature. Please do understand that you will not be issued any part of the uniform until the proper requirements have been completed. It is suggested that you start now in preparing yourself for the timely completion of these items.

If you have a question regarding any portion of the forms, or the procedure for obtaining a uniform, feel free to contact a Band Senior or Officer, or a Band Director. Anyone in this group will be happy to try to assist you.
